

GEO POWER PROJECTS

Health, Safety, and Environment (HSE) Policy

At **GEO POWER PROJECTS**, we are fully committed to upholding the highest standards of **Health, Safety, and Environmental (HSE)** management in all our operations. Our mission is to ensure the well-being of our employees, stakeholders, and the communities in which we operate.

We are Committed to:

- Comply with all applicable HSE laws, regulations, and ISO 45001 -2018 & ISO 14001-2015 standards.
- Promote a strong safety culture through leadership, accountability, and continuous improvement.
- Prevent workplace hazards by conducting thorough risk assessments and implementing control measures.
- Ensure zero harm by adopting proactive incident prevention strategies.
- Train and empower employees with the necessary knowledge and skills to recognize and mitigate risks.
- Encourage environmental sustainability by minimizing pollution, waste, and resource consumption.
- Engage stakeholders and contractors to uphold our HSE standards across all operations.
- Monitor and review HSE performance regularly to drive continuous improvement.

Through leadership, collaboration, and accountability, GEO POWER PROJECTS commits to creating a safe, healthy, and environmentally responsible workplace.

This policy is reviewed periodically to ensure its ongoing relevance and effectiveness.
